THESE SECTIONS HAVEN'T CHANGED

Republican Dictatorship = TREASON

The *Commonwealth of Australia Constitution Act* 1901, as Proclaimed and Gazetted, which consists of the Preamble, Clauses 1 to 9 and the Schedule, prescribes at Clause 9—The Constitution of the Commonwealth, Chapter I—The Parliament, Part I—General, Salary of Governor-General = pounds. each senator and each member of the House of Representatives = pounds. payable to the Queen = pounds. Ministers of State = pounds.

Section 3—Salary of Governor-General

3. There shall be payable to the Queen out of the Consolidated Revenue fund of the Commonwealth, for the salary of the Governor-General, an annual sum which, until the Parliament otherwise provides, shall be ten thousand **pounds.** The salary of a Governor-General shall not be altered during his continuance in office.

Chapter I—The Parliament,
Part IV—Both Houses of Parliament,

Section 42—Oath or affirmation of allegiance

42. Every senator and every member of the House of Representatives shall before taking his seat make and subscribe before the Governor-General, or some person authorised by him, an **oath or affirmation of allegiance** in the form set forth in the schedule to this Constitution.

This clearly tells us that the Political Party Senators and their member of the House of Representatives are not within Our Commonwealth of Australia Constitution Act as they don't swear their oath or affirmation of allegiance in the form set forth in the schedule of Our Commonwealth of Australia Constitution Act. All within the Political Parties Australian Parliaments sit in Treason.

Section 46—Penalty for sitting when disqualified

46. Until the Parliament otherwise provides,
any person declared by this Constitution to be incapable of sitting as a senator or as a member of the House of Representatives shall,
for every day on which he so sits,
be liable to pay the sum of one hundred **pounds**
to any person who sues for it in any **court of competent jurisdiction.**

This Section clearly tells us that there are no courts of competent jurisdiction within the Political Parties definition of Australia. Otherwise we could sue all in pounds and then for Treason. Therefore these Australian Parliaments and their Australian courts are not within Our Commonwealth of Australia Constitution Act.

Section 48—Allowance to members:

48. Until the Parliament otherwise provides,
each senator and each member of the House of Representatives shall
receive an allowance of four hundred **pounds** a year,
to be reckoned from the day on which he takes his seat.

Section 66—Salaries of Ministers

66. There shall be payable to the Queen,
out of the Consolidated Revenue Fund of the Commonwealth,
for the salaries of the Ministers of State,
an annual sum which, until the Parliament otherwise provides,
shall not exceed twelve thousand **pounds** a year.

All to be paid in **pounds NOT COUNTERFEIT AUSTRALIAN DOLLARS**
All contracts in counterfeit Australian Dollars is Criminal FRAUD therefore
NO Contract

The Parliament is a legislative body capable only of exercising enumerated powers. Its powers are determined and limited by actual grants to be found within the Constitution. Anything not granted to it is denied to it.

The cold hard truth

Fraud and Treason in any Contract voids the Contract.
“you own nothing now and are supposed to be happy.”

When was the last time the Governor-General and State Governors were paid in Pounds ?.

Till the Governor-General and Commander-in-Chief and State Governors are paid in Pounds they are not within Our Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted, therefore are sitting in **Treason.**

The last Governor-General to have Crown Authority was in 1960.
While the Governor-General and State Governors are paid in Dollars they lost Crown Authority to enact a Bill creating an Act with Crown Authority.

Therefore there is No Crown Authority from the Governor-General and Commander-in-Chief since the,

Proclamation

Given under my Hand and Great Seal of the Commonwealth of Australia at Canberra, in the Australian Capital of Australia Territory, this 2nd February 1960.

State Governors

State Governors since the enacting by them of the State Parliament Bills into Acts creating the Dollar in 1965. From that date forward these Treasonous State Governors have No Crown Authority. All State Governors from 1965 forward are sitting in Treason and are being paid in Fraudulent, Counterfeit money.
