👉 It's important to know that DeSantis came from Yale and Jeffrey Epstein funded huge amounts into Yale the same time DeSantis was there and huge part the funding went into Harvard Law studies and students graduating there. .> Later on DESANTIS would work as a Florida State Prosecutor,> >>the same time EPSTEIN would be investigated of having sex with underage girls (//)) Epstein was investigated for Underage sex with minors and a SECRET DEAL was made with the Florida Prosecutors and Epstein got a slap on the wrist*.> ... Epstein went to jail shortly but was released daily to live his normal life and return to jail in the evenings (some evenings) , the Florida Prosecutors also agreed to stop investigations into Epstein and all Police reports were seized by the Florida Prosecutors, and officers were silenced on discussing Epstein case[s]

> Ron DeSantis played a huge role behind the scenes in securing a light sentence for Epstein and allowing the SECRET DEAL to happen with Epstein<
